TREASURY DEPARTMENT, C. S. A.,
SECOND AUDITOR'S OFFICE,
Richmond, Va., November 1st, 1862.

REGULATIONS

For the payment of claims for arrears of pay and allowances due to deceased officers and soldiers of the Confederate Army. Per Act No. 402, approved February 15th, 1862, and Act No. 30, approved October 8th, 1862.

The first section of the above named Act provides "that the pay and allowances due to any deceased volunteer non-commissioned officer, musician or private in the army of the Confederate States shall be paid to the widow of the deceased, if living, if not, to the children, if any; and in default of widow and children, to the father, if living, and if not, to the mother of such deceased volunteer."

The first section of Act No. 30 provides "that claims due to deceased non-commissioned officers and privates for pay, allowance and bounty may be audited and paid when there is official evidence of the amount due, satisfactory to the second auditor, under such regulations as he has, or may, prescribe, with the approval of the Secretary of War."

By section 2 of the same Act it is provided that "the claims of deceased Commissioned officers shall be paid to their heirs or representatives in the same manner as similar claims of non-commissioned officers and privates are now, or may be directed by law to be paid." Payment will be made accordingly under the following

1st. If the child or children be minor, payment will be made to the guardian, upon the production of the proper certificate of guardianship under the seal of the Court.

2d. The claimant must produce his or her affidavit, and that of one disinterested witness, stating the relationship. For instance, if the claimant be a mother, the affidavit must state that there is living neither wife, child or father of the deceased; if the father, that there is neither wife or child; and if the child, that there is no widowed wife.

The *magistrate or other proper* officer must *testify to the credibility* of the *witness*, and the clerk of the Court must certify, under the seal of the same, that he is such magistrate.

The aforegoing instructions must be strictly complied with. Powers of attorney or assignment, which will seldom be necessary, may be executed before a magistrate or in the presence of two respectable witnesses. Claims prepared as herein directed, and transmitted to the second auditor by mail or otherwise, will receive as prompt attention as the business of his office will allow, and *always in the order of their presentation.* The amounts found due will be remitted by the auditor to the parties entitled as they may direct.

W. H. S. TAYLOR,
Second Auditor.

Richmond Va. Jan 14th 1862

General

The enclosed is an order delivered to me by Col McDonald + under which I have come to Richmond to obtain the maps &c described therein. Immediately upon my arrival in R— I presented to the Governor a letter from Col. McDonald asking that copies of the maps might be furnished me. The Governor indorsed the order to me with an order that copies of the maps be furnished me. The B.d of Public W.ks are perfectly willing that copies may be taken of the maps + c required, but have not (as they say) the clerical force "to furnish them." I have the honor therefore to ask that the Engineer Department C.S.A. be directed to have them copied, or that some other provision be made to have copies of the maps furnished me. So that I may return, as ordered, as soon as possible.

Very Respectfully

In the battles before Richmond, he had his fore finger of the right hand shot off, and has been recommended by the Capt of his Co. — the Col of his Regt. — and the Genl of his Brigade, for a Chaplaincy. Col Conrow

D.r Sir, Being desirous of having a Commission I now ask you to endeavour to procure it for me, and will trouble you with the reasons upon which I base my Claim upon the government— I enlisted at Olive Springs Ark. on the 18th June 1862. was appointed Quartermaster by Col Thompson June 19 1862. (his authority you are conversant with) I asked Genl Hindman through Col Thompson how to get up my bond there being no Civil Officer within reach of our Encampment at that time, he send me word that the oath of the Securities was unnecessary if the Col. would endorse his approval thereon. I wrote the bond myself and tho' not word for word in form with those used by the government, yet the spirit is doubtless all right— it is for Twenty thousand dollars, and my Securities are Col Buchanan, Capt. J C Craven, Lieut. Joseph Y Clark (brother of Capt. Robert Clark) and Daniel A Stout of Clinton County also a Captain, you know I presume more about the pecuniary affairs of Col B. than I do, but presume him to be worth the bond himself, I know Lieut. Clark to be worth at least 15000$ Capt. Stout is a well to do Farmer worth I suppose at least 10000$ Capt Craven is worth something but I do not know how much— in short the bond so far as Securities are concerned, is unexceptionable, I believe I have the reputation of discharging my duties promptly, in view of these facts I have no doubt you will succeed in getting me the Commission, please address me to care Col W. W. Smith who Commands this Regt. having taken charge yesterday— Craven is Major— I should be glad to hear from you whenever you have leisure.

P.S. My Bond according to directions from Genl Hindman, was deposited with his adjutant in Sept. of last year — my appointment also, Commission should date July 15th or 20th 1862, from Col at time of issue

Salisbury N.C. March 27, 1865

Respectfully returned to Surgeon General with the information that before the exchange of prisoners began, it was determined to send the prisoners at Florence S.C. to Abbeville S.C. The first prisoners sent from Florence were exchanged at Wilmington and Surg. McDonald. Reported in person to me at Salisbury. Sir:

A few days ago I had the honor to forward to Hd. Qrs. Surgeon's Certificate of Disability; upon which I asked either a discharge or assignment to duty outside of active field duty. Having been in active and continuous service for more than twenty months, I have no desire now to quit it; but suffering in a manner that disables me for Camp duty, I respectfully ask leave, if it be consistent with the interest of the service, to be assigned to some duty until a cure can be effected. If there be no such position in which my services can be made available,

I beg to tender this, my unconditional resignation of the Adjutancy of the 40th Regt. and to ask leave of absence until the pleasure of the President is ascertained.

I inclose to the President a letter from J. W. McDonald. It did not seem to me worth while to get the delegation to sign a recommendation as he suggests. The President knows them as well as any of us. He is a man of genius and of faults. I think myself he would make a good Advocate and do not therefore hesitate to express the hope that President may appoint him

If, Governor, you will assist me in this, I shall ever feel grateful to you. My original Commission was as Adjt. of the 40th Mass.

Please read this to my old friend Senator Phelan [illegible] with you in the matter.

The point is this: I am not able for duty, and will not be for three months; and as I do not want to quit the service, I ask assignment to duty until I am physically qualified to meet the demands upon me in the field.

Hon. E. J. Harris

Dear Sir:

Not being able for active field duty, on account of a lameness produced by being constantly in the saddle for nearly ten months, I have been forced to tender my resignation, as I failed to obtain leave of absence until a case could be effected. Having, however, been in the service from the Commencement of

the war, I vowed I'd see it out; and, therefore, would like to be assigned to some duty that will relieve me from field service until I can again be ready for active duty. The last Congress, I believe provided for the establishment of Court Martial for each Army Corps. Will you, if consistent with your feelings and sense of duty, set on delegation to unite in asking for my appointment as Judge Advocate for one of these Courts? Having been in the service for over twenty-months, six months of which time I acted as Asst. Adjt. Genl, I feel that I am sufficiently acquainted with the Regulations and Orders, and general military law, to perform the duties of the position. But if this position cannot be had, I would like to have some Post position. I care but little for the pay or additional honor that may accrue if any. All I want is to retain my commission, so that I can when able, take my place in the active service. During the march of Col. Mackin, and his failure to

Hon L. P. Walker
Secretary of War,

Sir,

If any but graduates of West Point are to receive Lieutenancies in the Engineer Corps, It gives me pleasure to recommend to your favorable consideration Wm. M. McDonald, who is a high toned gentleman, and of a remarkably high order of intellect. Wm. M. was the most gifted member of the class that graduated at the Virginia Military Institute in 1860. I have had ample opportunities of judging of his qualifications; as he was my pupil in Nat. Phil. and Astr. and subsequently my assistant instructor in Artillery, and one of two officers whom I selected to accompany me to Harpers Ferry when ordered to assume the command of that Post. His full worth is not to be appreciated by a slight acquaintance. He is remarkable for his depth of thought: scientific work entrusted to him may be expected to be thoroughly executed.

Mr McDonald was appointed a Captain of Engineers in the provisional army of Virginia at my recommendation — The within letter from Gov Dickenson shows that the appointment was a fortunate one as he is a valuable officer, and his services are important to the army — I respectfully recommend that he be appointed to the Engineer service of the Confederate army —

General

I would respectfully represent that on
Sept 1861. I filed an application for appointment to
the grade of 1st Lieut A.A.G. recommended at the
from Genl T. J. Jackson, Jos E Johnston, and R. E. Lee, bearing
accompanied the application, in October 1861. a commission
as 2nd Lieut C.S.A. was issued to me with orders to report
to Genl Winder Genl at Richmond. This I did and
was with the Army of the South west till August 1863.
Being desirous of a transfer from Ordnance to Engineer
duty, I about the middle of Janry 1864. withdrew the former
the war office the letters of recommendation I had filed
with my application for appointment with the view of filing
them with my application for transfer.
Upon examining the endorsements upon the back
of the recommendation of Genl T J Jackson I find that
I was in fact appointed 1st Lieut A.A.G. whilst through
the error (doubtless unintentional) of the recording clerk
my commission issued as 2nd Lieut C.S. Infant. I
feel the latter assured that my case of the matter
is correct, from the fact that Lieut Cunningham who was in
the same category as myself, who held the same commission
in the Provisional Army of Virginia, who lost his commission
at the same time, and who had similar recommendations
for appointment in the C.S.A. was appointed a 1st Lieut
of Art. I would respectfully ask that this matter be
immediately investigated and when it is discovered that
however has been committed, I beg that I may be commissioned
in the grade to which I am entitled, after the war the difference
of years will be a matter of very great importance
to me, and should I not live through the war
I should rather die as 1st Lieut than 2nd Lieut

I have the honor to request authority to travel to Richmond and endeavor to expedite my exchange. Not being on duty, being here simply as a student by permission from Col Gorgas. A favorable conference can result to the public service from my absence.

However as soon as exchanged I expect to report for duty to Major Genl M.L. Smith Chief Engineer Army Northern Va. He has approved my application, the Chief of the Engineer Bureau has also approved it and applied to Exchange Commissioner for my exchange. The evidence of this is herewith enclosed. I am assured that by going to Richmond and urging my exchange in person I can effect it immediately whereas it may be indefinitely delayed - a furlough from here invariably been provided transportation to this command and as my command will be in virginia, I would respectfully request that if this application be approved that an order for transportation be endorsed upon it.

In obedience to the annexed order, appointing the undersigned a board of officers "to investigate and report upon the probable causes of the explosion of the Laboratory on yesterday, the amount of the loss of property and material, and of the injuries to persons, and the effect of the injuries", we have met, after a thorough investigation, & make the following report.

The Board can assign no definite reason as to the cause of the explosion; but a careful examination of the facts attending the explosion, & of all the facts in the possession of the Board, leads us to the conclusion that it was caused at the discharge of a shell from Columbus, which was accidentally dropped from the derrick while the building was being repaired. The shell struck the head of the draft-gearing, & exploded. The fragments of the shell struck the head of the draft-gearing, & exploded the shell which was in the drying stock, & caused the explosion of all the shells in the building. The amount of property destroyed, & the probable loss of life will be shown by schedules marked "A",

the house, in driving a Judge from the die. The method of which this is usually done is by placing the end of the drift against the inside end of the Judge, and striking the head of the drift against the driving block; if by accident or design he struck the head of the drift against the inside shot, which covers the driving block, this fact would furnish a sufficient cause for an explosion, as the shot is usually covered with layers of dust of the composition, and this time, and the blot may have been of sufficient force, when ignited by friction thus, to communicate the flame to the cap of Composition of the side of the drift. This is a reasonable reason if which the explosion ignited the amount of powder designed, but as well from Shielding, the intended cartridge. Reference to Schedule Marked "R",

New Orleans March 31st

The Secretary of War
Sir

Upon the 9th of October
1861 I received a commission as 2nd Lieut
in the Confederate States Infantry.
I had applied for a commission in the
Engineers or Artillery, all my recommendations
had reference to my qualifications for a
position in one or the other of these Corps.
At the war Department I was
informed that no officers of a lower
grade than Captain were appointed
in the Engineer Corps. and that no va-
-cancies existed then in the Artillery Corps.
I was further informed that as soon
as a vacancy did occur in the Artillery
I would be transferred to that Corps.
That such vacancies have occured
is evidenced by the fact that officers
have been subsequently appointed in the
Artillery, I would most respectfully
call the attention of the war Department
to the fact. and would respectfully
ask that the transfer be made thereby
the Hon Secty of War thinks proper
to direct it

Yours truly

It is our opinion that he has carefully examined Surg. Sol. McDowell U.S. and find him incapable of performing the duties of a soldier because of Anchylosis of the left wrist joint. This Anchylosis is produced by a gun shot wound received in the battle of Leesburg Va on the 21st day of Oct 1861, the ball inflicting this wound still remains buried in the joint. The most moderate use of this limb produces inflammation about the seat of injury which might in our opinions in valve the loss of the limb to him at any time.

I would respectfully recommend A. G. McDuffie as Quartermaster of the 21st S.C.V. made vacant by the death of Capt. John G. McCullough - and ask that the appointment be immediately considered. so that the appointee may give the necessary Bond, and enter upon his duties - This Command much needs a hundred officers. Mr McDuffie is eminently qualified to fill the office of Quartermaster, and would do credit to the service. He was formerly a Captain in this Regiment. and resigned on account of his health, His health is now fully restored. He is a native and Resident of South Carolina

wherein to ground his resignation - I do hereby
certify that I have carefully examined the said
Officer and find him incapable of performing
his duties as an officer and soldier because of
General Debility the result of Dyspepsia and
chronic Dysentery of long standing on a
frame naturally delicate and feeble - I have
been his family Physician for the last nine
years and know that he has suffered during
that time from several severe attacks of illness
so much so as almost to entirely unfit him
for the ordinary duties of private life.
I therefore recommend that his resignation be

To Gen. S. Cooper - Marion S. C. Nov 14/62

Sir

I N. L. Mackaffee Captain of Company L. 21st Regiment S. C. Volunteers in consequence of the delicate condition of my health submit the following for the consideration of the proper authorities.

My health has been delicate from boyhood and I am now over thirty seven (37) years old I joined service twelve months ago under the conviction that my constitution and health was not such as to endure the exposure and hardship of camp life but being then impressed with the belief that by course of actions and a general uprising to arms by the southern people a speedy termination of the war would be brought about. I with my friends and neighbors rallied to the rescue. For several months I have withheld my application at the urgent solicitations of the Company

to which I am attached doing little or
no service during the time and hoping I
might be able I retain my place. Since
last April the total duty I have done out-
side of my quarters would not exceed one
week up to the first October about which
time I was forced to leave Camp and
have been about up to the present time
most of which I have been in a very low
condition. I am yet in such health as
to forbid my return to Camp, & judging
from the past fifteen (15) years of my life
I feel confident that I will not be able
to return and remain without an early
sacrifice of my life. which opinion is
set forth by my attending Physicians.
I therefore hereby Respectfully tender my resigna-
tion of office as Captain as aforesaid making the same
unconditional and immediate and ask to be dis-
charged from further service

Very Respectfully

N. C. MacDuffie

Talladega Ala Jan 15th 1860

Dear Uncle John

I must now wait to come my intrusion, when I promise the favor I am about to solicit, with an assurance that I desire you to act in my behalf, only so far as your convenience and other engagements may permit.

That you may more readily appreciate my condition, I will briefly state the facts and attending circumstances of my case. You are incorrectly informed. Since you last saw me I have married, and have removed from Marion to Talladega, though still continue my partnership with Mr Tidy. My wife

has considerable property, consisting principally in negroes, all of whom I have hired out for the present year. Our profession is now entirely, and effectually blockaded from any of the Southern ports. Even our Judges are in the army, and we do not know the form of a court. Thus you see, so far as law is concerned, there is a complete cessation, but plenty of legal investigations. But I am digressing, and will now to the point. There is a military prison at this place, and, I think, with the interference of some influential friends at Richmond, that I could get an appointment as lieutenant of the post. Young Bradford of Maryland first raised the appointment, but he was recalled, and I think there is now a vacancy. If you will do me the kindness to see the Secretary of War on the subject, I shall feel myself greatly indebted for the favor. I have a nervous affection of the heart, which will not permit me to undergo the fatigue of a field appointment. I should now be in the army. I am quite anxious to obtain some lucrative appointment under the Government which will redound to my present advantage and promote my future interest, which is the chief consideration. I have several friends in Georgia who would willingly unite with you in granting any favor. Ask

and McDowell of N.C. U.S. Senate of this County -
and Graham of Texas, who is a Cousin - will do
be glad to promote my advantage -
Should prefer an appointment under this Sub-
stitory post - but would - [illegible] -
and honorable appointment in the Department
at Richmond or elsewhere -
Left Marion a few days ago when the family
were all well. John Edmunds was making his
arrangements to settle in Montgomery - his
friends there have urging him for some
time past to move there -
Smith is a worthless fund of mine, and
will do anything you may suggest to favor
me &c.

Very Truly Your
A. Bruce McEachin

Gen.

I enclose herewith a letter from Lt. Col. McCracken Insp. of Engineers relative regarding the employment of Lieut. Pickersgill at Tuscaloosa to guard the railroad bridges at that point. I have directed Lt. Pickersgill to report to you for duty, and in case you should not require his services there, that he endeavor to render himself useful to the

I have withdrawn from the Cavalry this officer, because I deem that duty less important than the one he is employed at, and I am willing to risk the consequences of that step. I have recently been told that Lt. Pickersgill was captured at Corinth & has been exchanged. I therefore cheerfully recommend that he be employed elsewhere than with Cavalry, as he is reported to be a gallant officer.

Sir.

You will find on file in your Department a recommendation from different States in which I am proposed as a suitable person for your favorable consideration - I should certainly not urge my claims upon observer of the great conflict that is being enacted - I am physically unable to discharge the duties of an active field appointment - or I should long since have been in the service -

My uncle, John McQueen, representative from South Carolina, turn up the application referred to above, and will be pleased to give you any information desired -

I would like to know the appointment of Quarter Master, or an appointment in any of the Departments which will enable me to serve my Country -

Please address me at Tuscaloosa, Ala

Colonel

I forward herewith Quarterly Returns
of the County ending 31st Dec 1861 with
my first return. I have used my
endeavour to get them earlier but the Commanders
of the Corps live, but the Commanders
of the Companies having been elected
enforcing the Conscript Law it was impos-
sible to get anything out of the Corps sooner,
I have endeavoured to keep all Claims promptly
paid. Since we have gone into the
field the Companies have been almost constant
leaving most of the officers in their positions
as well as myself. besides I have the most
difficult position of any Quartermaster in
the Corps having 8 new Companies in the
Command. numbering 2 and then most
kept and having to perform the duties
of a Commissary of Subsistence, and
Publick really to be procured by purchase,
I will be able to be more prompt
in future, and having yesterday received a
Copy of late Regulations for the Q. M. Department
will be able to make my returns more

perfect and with the changes directed.
I have had to purchase a few articles without
which I could not have executed (now) the work
ive and quickness and straight they have been
in constant service under the most unfavorable
circumstances with all for two years
I am sorry I am
not able to send a detailed return of
the Ordnance & Military Stores
Etc in the field.

I am Col,

Captain Geo. A Mercer,

Captain,

I respectfully ask for a leave of absence for thirty days, for the reason that the passage of Port Hudson and Vicksburg by the enemy's gunboats renders the stream upon which I reside, accessible, and an easy prey to the enemy; said stream, the Ouachita River, being a tributary, and emptying into the Red River just above its confluence with the Mississippi River. My object in wishing to go to my home at this particular juncture, is for the purpose of removing my family and property to a place of safety, in the event the Enemy should ascend the Ouachita. A less period than thirty days would be of no benefit to me, as it will require twenty days of the time going and returning, thus giving me only Ten days in which to arrange my affairs.

Chief Surgeon Miller will assign a Surgeon to his command during my absence. Your compliance with my request will most materially add to the welfare of my family, and oblige

My dear Sir
My

to apply for a commission for
him in the Confederate States
Army. In making the applica-
tion for him, I beg, briefly to
add, what I know of his merits
and qualifications for the posi-
tion.

Mr. McFarland is thirty years
of age, six feet four inches high
and weighs one hundred and
ninety pounds. His habits are
good.

He was at West Point for
two or three years, but resigned,
I believe, for what reason
I never knew. After leaving
West Point he went to Mexico,
thence to Oregon, across the
plains, and encountered many
difficulties, and almost starva-
tion, An account of the trip
was published and produced
considerable interest at the
time In Oregon he was occasion-
ally engaged in skirmishes
with Indians. From Oregon he
went to California was there
two years and there also once
or twice encountered the Redskins
While there he made a trip to
Elpasso County N. W. Texas
From California he went to the
Sandwich Islands, thence to
China and for three months
thence

his time coasting around the Islands of Borneo & Sumatra; thence he went to Spain, to France and to England and returned after this long trip to Texas where he has since been living.
I have not seen him for 15 years, but I understand he is a polished gentleman, having gone abroad to improve himself and to see the world.
From the enclosed documents you will learn how he is esteemed in Texas. I presume he would be well satisfied with a captaincy, if in your wisdom you may deem it proper to bestow that office upon him.
I merely state what I know of Mr. McFarland, and of course would be pleased to see him in the service, but I only do

Dear Sir

I have learned with much pleasure, this morning, that you have been requested to present the name of Mr McFarland for an Appointment in the Army of our Glorious young Nation. In order that I may add something towards securing the services of one so deserving and efficient as I know Mr McFarland to be, I herewith enclose an Austin paper, containing a Statement of the balloting in the Convention of the State, which will conclusively show the item in which Mr McFarland is the held. Had he been more generally known he would have been elected Lt Col of the Texas Regiment, and when it is consider

that Col Baylor is an old and
experienced Indian fighter, the vol-
which your friend (and mine)
received, is doubly gratifying.

Make such use of this

WAR DEPARTMENT.

Richmond Va
May 30th 1863.

General S. Cooper
Sir.

I have the honor to apply for a Commission in the Confederate Army. My application is founded upon the following claims: I served three years and six months as a Cadet at West Point, and was dismissed, not from deficiency, but for irregularity. I also served as a Volunteer in the Rogue River Indian (Oregon Territory.)

At the beginning of the present war, I volunteered in the service of the State of Texas, to assist in taking the Federal garrisons on her frontier. After this had been accomplished, our Regiment was mustered into the Confederate States service, on the 20th of April 1861, and known as the Third Regiment of Texas Mounted Riflemen. I served in this Regiment until the 24th day of November 1862, when I was forced to resign on account of ill health.

On the 8th of January 1862, at the

Ohio Volunteer Infantry, I was appointed
by Genl. P. O. Hebert as instructor to
said Regiment. On the 10th of May
following, I was appointed by Genl.
Bragg First Lieut. of Co. I. 2d. Texas
Regiment, and, by promotion of the
Captain, became Captain of said Company.
In accordance with the decision of the
War Department herewith enclosed, I have
been deprived of this position - I therefore
most respectfully request that I may be
assigned to some position.

Enclosed you will find letters of
recommendation from Maj. Genl. Mauny,
Brig. Genl. Moore, Col. Lt. Col. S. Barry, and
Col. Ashbel Smith.

I respectfully recommend to the War Department the claims of Mr J. D. McFarland for appointment as a Commissioned Officer.

He was a Cadet at West Point three years. He has now been more than two years continuously in the service as a Lieutenant. Was Drill Master of the 2d Texas Sharp Shooters. Was Aid-de-Camp and Acty A. A. Gen. of Moore's Brigade. Has participated in all the battles of his Regiment and Brigade. Was wounded at Natchez Bridge October 5th and again at Vicksburg May 16th.

By some misconception of the laws on the part of his superior officers or fault of his own, Mr McFarland has been deprived of his position as a Commissioned Officer.

I cordially recommend him as a gallant and meritorious officer.

My dear General,

It gives me great pleasure to commend to you my friend and fellow Officer Lieut J. D. McFarland, who leaves for Richmond this evening.

Lieut McFarland has been for some time Captain of Comp. I. of my Regiment and Chief of Gen Staff. A recent order from the War Dep. has decided that there was some irregularity or defect in the formation of Lieut McF. to the Captaincy. We do not perceive or decide, I believe, that the decision should be reconsidered or reversed. But the circumstances have led to his visiting Richmond, and as Commanding the Regiment to which he has been attached and with which he has been serving for a period now going on two years, I beg to recommend you with a few words in his behalf.

Early in Sept 1862, Lieut McFarland was assigned to duty in the 2d Texas Sh. Sharp Shooters, and with the rank of Lieutenant. He was ordered on recruiting service the latter part of February the month following. On the 12th of the succeeding month of March, the Reg: was by sudden marches from Houston Texas, and reached Corinth the 1st April. Immediately Lieut McFarland learned that his regiment was ordered to the seat of war, he followed it & rejoined it near Shiloh on the 9th April. He has since been on duty with the regiment in his company or on the Brigade staff to the present time; I believe without any interruptions. I mention these facts

as showing Lieut McFarland's unremitting attention to his duty. I beg also to state that Lt McFarland is in my opinion a very superior officer. His education at West Point is a guarantee for his military instruction; I can most cheerfully bear witness to his possessing the qualities necessary for an officer in the field — energetic, at all times ready for duty and aiding; and a thorough disciplinarian; with that distinctive bearing & gentleman which commands respect and insures obedience.

I could add more of the same general purport, my dear General; as commanding the Regiment to which he has belonged, it has seemed to me proper to state, as in justice, these must in my view to Lieut McF—

I commend him to you also as a gentleman with whom I have ever had the most pleasant and friendly relations.

Lieut McF. will tell you all the news here.

Upon the statement made, it is

Dear Sir

Yours is to hand, advising me that my returns for April were wanting, the Commander being entirely Cavalry, and scouting nearly all the time, would make it very difficult to get up all Returns & bills of purchase, and Ordnance returns monthly. Consequently I have only forwarded Reports, which covers every thing called for. Can't make a monthly Report, but will forward this. I think I can make monthly returns, under the circumstances, or will Gen. Elliott if he prefers, an early reply will very much oblige

I answered yours of May, in March. by W. P. Stovall. with directions if you were out at Richmond to address to S. P. Brown & Son. I enclosed my Communication from the Faculty to the Board after I had finished my examination, which I think will be Satisfactory, you will find that I Graduated at the Eclectic Medical Institute Cincinnati Ohio May 12th 1857.

You Stated in your letter from Egypt if I was or had been in the Army it might have a favorable influence. I have been in the Army Gen F. C. Armstrong's

I am Over 30 years of age. and have been regularly engaged in the profession for something Over 8 years. I would forwarding you a Certificat of my Graduation, but as I sent the letter to Richmond to an intelligent and Special Friend I feel confident that you will find it on file, Send, Thereby Favor me with your influence and I will ever regard it.

Dear Col

Dr. R. O. McGaughey of Stewart
County Mississippi an old friend of mine
is recommended as Asst Surgeon of this
regiment and has been acting in that
capacity some four months. The surgeon
general declined allowing him to appear
before the examining Board for the reason
that he was a graduate of an Eclectic
School but a few days ago he renewed his
application to the Surgeon General
for an invitation to appear before the
Board which I forwarded with an
ample statement of facts I must
ask of you the favor to see the Surgeon
General and induce him to grant the
application. I know Dr. McG— needs
no recommendation from personal acquaintance but
have no certificate as to his eminent

qualifications and fitness for the
position which he seeks and which I
ask the Regiment have that he
have. He is ready and
I have no doubt abundantly able to
pass the required examination, and
I am sure he has a fine ambition right
to command men, only the country
needs the services of its citizens in every way, and
qualified in one of the Departments
and Dept. Commander may not have
received instructions from the proper
source that others did. Hoping
that his application should be treated
favorably in the order which the
Government has adopted and I hope
to believe that you will please
to give me a line to say that he has
done.

Col.

Through you I would respectfully ask for a leave of absence for thirty days, for the purpose of visiting my home in Van Buren County, Mich. as my business is in a suffering condition for my own personal attention.

I was enlisted in the Confederate States Service 1st March 1862 for one year. and reenlisted in May—62 for three years.

Prior to my leaving home I secured an Agent to manage my farm during and other business during my absence. but soon after I had left my agent joined the Army also. without leaving any white person on my farm to attend or control my negroes. That portion of Country being so thoroughly populated and I being a stranger not knowing any friend with whom I could leave my business in charge of. the Consequence of which has been the Burning of my Dwelling and all the houses on my premises save one Cabbin. thereby consuming all my stock of Clothing and other family supplies that has been provided during my absence. I have never been able to get any person on my farm since so as to save my property from destruction. For the purpose of getting some person to govern my farm and controll my business I desire the above time asked for if it can be granted without detriment to the interest of the Government.

Your letter of the 17th inst. addressed to Mr. Benjamin, has been received & submitted to me. In reply I have to say that I am not authorized to make any such exchange as you propose, nor do I think it would be proper for me to do so. The Government has no doubt, long since, made such arrangements as it deemed best for the exchange of prisoners, & I do not think it would be proper for me to interfere with them. If you will write to Mr. Benjamin, he will, I have no doubt, give you such information as you may desire. Your letter has been referred by him to the Secretary of War, who, I presume, will write to you on the subject.

The records show that Dr. Charles Macgill of Hagerstown, Md., a member of the senate of that State, was arrested on or about the 30th of September, 1861, by Major-General Banks by direction of the Secretary of State and taken to Fort Lafayette and still later to Fort Warren. Macgill was charged on oath with disloyal sentiments and purposes and with having declared his intention to give aid to the rebel cause to the extent of contributing every dollar he could spare to the support of the war and that he was going to see if he could not make arrangements in Virginia to fill Pennsylvania with troops. On the 9th of October, 1861 Doctor Macgill was offered his release on condition of taking the oath of allegiance with proper stipulations of security which he refused to do. The said Macgill remained in custody at Fort Warren February 15, 1862, when in conformity with the order of the War Department of the preceding day he was transferred to the charge of that Department. He was finally released November 27, 1862 at Fort Warren, Boston Harbor.

The records also show Charles Macgill, Surgeon, Confederate States Army, surrendered by General Robert E. Lee, Confederate States Army, and paroled at Lynchburg, Virginia, April 15, 1865. No additional record found.

No record found of his appointment as Surgeon.

Hon'ble J. P. Benjamin
Secretary of War
Richmond Va.

Sir

By direction of Major Cabell Chief Quartermaster of this District, I have the honor to enclose herewith the official bond required of me by reason of my appointment as. an Asst. Quartermaster in the Provisional Army of the Confederate States, which appointment I received on the 10th day of September 1861. This bond was executed yesterday, and to day Major Cabell received an order from the Adjt. Gen'ls Office, directing that my name be dropped from the rolls of the army on account of my not having given the bond. I have been in the service with the army of the Potomac from the middle of June until January last, and after my appointment as Asst. Quartermaster I was, on account of my experience in the Quartermaster's Dept. of the

old U. S. Army, placed on duty by the Comm-
-anding Genl, as an assistant to the Chief
Quartermaster of the Dept. of Northern Va.
Never during the time that I was acting as
the asst. of the Chief Quartermaster of the
Dept. of Northern Va. did I have one cent
of public funds in my hands, the duties
to which I was assigned by him not requi-
-ring me to make disbursements. On this account
I refrained from pressing an application for
a leave of absence, to enable me to have my
bond completed, Major Cabell assuring me, that
he would when I was required to make disburse-
-ments, allow me an opportunity to complete the bond.
There were no persons in Virginia whom I could
ask to go on the bond being an entire stranger
there, and having in May last for the first time
set my feet upon the soil of the State, and
having for the three years previous to that time
been serving on the frontier as Quartermaster's
clerk in the old U. S. Army.
Under these circumstances I write to beg that
you will revoke the order for my dismissal,
as it is I assure you sir, most humiliating
and ruinous to me. I feel confident that

none who have known of my services in Virginia will bear witness to my efficiency and industry, as I can truly say that I have devoted my entire time to the county in whose service I am.

With apologies for burthening you with so lengthy a letter I am Sir

Maj. C. McRae, depot Quarter at this place has in charge recruits, convalescents, & stragglers belonging to the Army of Tenn. & Miss. Dept.

He was appointed Captain Engrs. Sept 10 1861 and commissioned Major to rank as Major Engrs. Sept 9 1862. He was ordered to Mobile in January last & was made Chief Engr. of the Army of the West by General Johnston. When the Genl was transferred to the Dept of Tenn he remained in that position until Genl Polk assumed command when he was appointed Chief Engr of the Army of Tenn. He was then recommended for promotion to rank of Lt Col by Genl Johnston & Genl Polk & again in Sept 63.

He informs me that he has been addressed from the War Department as Major, but has never received the appointment. He was told by Col Mayo, however, that he had been appointed, but now learns that on the list obtained by Major Cook, Quarter Master, his name appears as Captain. His rank as Major was recommended by the Department of last year, was at first accepted, as shown by the endorsement on it, and returned with the remark

that he was only Captain.

I know him to be one of the most active energetic and efficient officers in the department, and if his promotion does not already have granted I would respectfully urge that it be done. While he has labored assiduously and faithfully in responsible positions for which he was selected on account of his merit his pecuniary circumstances will not in one case permit him to accept the appointment. For this reason I beg leave further to urge that his commission should date from the 2d June &c, as suggested by Brevet Lieut Sim in his recommendation.

Please be kind enough to send me by the bearer Capt. A. K. Buck, the saddle and bridle you have belonging to me, and also the money for the horse if you should have yet collected it. I have been ordered on temporary duty at this post, to assist in placing in operation the government depot to be established at this post. I expect to remain here about twenty days, after which I am to be stationed at Mobile on special duty. When I reach there, I will again turn over to you the saddle and bridle, as I will have use for it only during the time that I remain here.

Dear Capt.

You will remember that when I was in Richmond the status of Major St. Paul was discussed and you informed me that he would not recognize as the P.M. Gen. such of him as a Post officer at Mobile,

On my return from Richmond I felt it my duty to notify Major McGinn the Chf. Pay. of the Gulf District of the information furnished me by you and to suggest that under the circumstances and his command having been recently nearly all captured that Major St. Paul be relieved of duty and ordered to report to Richmond for assignment. I was influenced in this course from information furnished me that the official actions of Major St Paul had been seriously criticized by Major Jones now on inspection duty here, and that Major McGinn was censured for retaining that officer on duty at Mobile.

I also suggested to Major M. that if deemed he curtail the number of steam Boats operating about Mobile under charter and recommended the retrenchment if it could be done of the government expenses there. I was induced to urge this matter also from the season that I learned that it was the subject of much

Criticisms from the same quarter, and in addition I learn that the official conduct of Major McGinness has been seriously criticised by the same officer, and that he is about submitting a report to Genl Bragg of his proceedings.

I have just received a communication from Genl Major McGinness in explanation of his reasons for the retention of Major St Paul and also a detailed report of his Steamboat affairs which is addressed me as a private letter, but as I think his statement should be submitted to Genl Genl. To such any charges that may be preferred against him I have taken the liberty transmitting you myself to enclose his communication which if you deem advisable you will please submit to the Genl. Genl.

I have only reason to think the statement of Major Mc to be true and as I entertain a warm friendship for him personally and regard him as an efficient officer I have thought it due him to make the remarks but I shall refer and to respectfully call your attention to his explanatory communications

explain to you more fully and clearly than I have been able to do, as I write amidst constant interruptions. As already stated to you I would much prefer to be sent to Texas in charge of a depot, but since it has gone forth upon the streets of this city that an officer who has been relieved, I am desirous to be continued on duty, for the time being at least. Pride apart from all else, enjoins this upon me. I write you thus with the freedom warranted only by a long intimacy, and am prompted to do it by the friendship evinced for me by you.

If I can obtain about six flats I will I think be able to dispense with two of the steamers engaged in the transportation of wood. They are not procurable here and unwilling to attempt the construction of them. It is probable that they might be cheaply purchased in the vicinity of Selma & Montgomery. I will thank you to cause inquiry relative to the matter to be made, and have me informed as to the result. I have sent agents on Tombigbee and Alabama to ascertain as to the prospect of purchasing them.

If St Paul be removed you can send another officer & I will assume the duties as you may deem best. I think that with the assistance of experienced men to be employed here, I could manage them.

Major

Please receive my thanks for the kind advice tendered in your favor of the 11th inst., and with them the assurance that it will not be lost upon me. To you I deem it almost unnecessary to state that I am prepared to do all possible to conduce to the interests of the service, and promote the efficiency of the corps of which I am an officer, and reduce the amount of its money expenditures. Since my entering upon duty within this District this latter has been a "leading idea" with me, and my efforts according to the dictates of my best judgement have been directed [redacted] th a view to effect it. I on yesterday sent you a communication written at the instance of Gen Maury. And it I neglected to say that Major St. C. was assigned to the discharge of his present duties by Gen M. that letter embodied the ideas of Gen M. not those of myself. I am willing to concede to Major St. C. all that is justly his due. He has displayed great energy, and been very attentive in the discharge of his duties. He does not however evince a due regard for law and orders, and the responsibility for his irregularities must fall upon my shoulders. I will not tire your with a recital of instances of this kind, but I assure you that they are not few. I therefore desire and

request that he be relieved of his present, and assigned to the discharge of other duties. The officers and men composing the brigade to which he properly belongs, are nearly all prisoners in the hands of the enemy. As Captain S is a gentleman, and almost foolishly sensitive, I prefer that the order relieving him emanate from Richmond. To have it issued here would be to injure him with the belief that Gen'l D. who assigned him to duty, was not pleased with the manner in which his duties had been discharged. This I know would appear singular when he has every reason to believe that his official course met with the approval of Gen'l D.

About the steamers at present employed in and about this place permit me to say are not more than adequate to our wants. I give you a list of them viz: Natchez, Dick Keys, Fort Walton, Cherokee, Waverly, Jeff Davis, ariel, Le Roy and the steam flats Kitchen and Mary Stone. There are now on duty in this District over two thousand cavalry engaged in guarding line of R. Rd. between this and Montgomery, and in observing the movements of the enemy from the bay shore, so as to give early notice of an attempt at landing. These troops are being almost constantly changed from the one to the other side of the bay, and in addition the infantry forces are frequently changed in same manner. The Keys and Natchez are retained especially for the transportation of horses and men, and in addition perform such other duties in the line of changing position of the floating batteries, moving heavy guns

&c, as may be required of them. They are not constantly employed, but as a large number of men and horses can be transported by them, their services are indispensable. I am certain that the labors performed by them could not be as cheaply done if we were to depend upon employing steamers when troops are to be moved. Furthermore these troops when moved have to be moved rapidly, and were we to rely upon hiring boats when an order for a movement is issued, it could not be done with the expedition that is officially there is a division of troops stationed on the Eastern shore under the command of Genl Liddell, Hd qrs at Blakely. Said troops are intended to resist landings on the Eastern shore, and to reinforce the water batteries in the event of an attack being made upon them. A boat has to be at the disposal of Genl Liddell to move these troops as necessary, and the "Jeff Davis" is the one assigned for that duty. She is now but little used, but still it is requisite that she be at Blakely at all times, as the enemy may upon any day attack. The Cherokee, Watson, and Waverly are engaged in bringing wood to this place, and are barely ample for the purpose, as large supplies of fuel for the troops and steamers at this place are required. I withdrew the Cherokee from the wood trade on Sunday last, and sent her to Demopolis for a load of corn. She arrived last evening with over eight thousand sacks. On account of her being leaky some twelve hundred sacks had to be discharged, here and the remainder will be sent to Selma this day, the necessary

boat smaller, and are used in transporting men and stores to and from the batteries about the city. Some of these batteries are twenty miles by water from this place, and daily supplies of food, ammunition, and ordnance stores, have to be moved to and from them. These two boats carry but small crews, and consume but little fuel; and when a few sick men or small amount of stores are to be transported, it can be more cheaply done by these, than by a large boat. The steam fleet kitchen is used principally in moving supplies of fuel to and from this place. The Quary Stone is used in transporting supplies of stone, stores &c in Spanish and Tensaw rivers, which are obstructed by piles, sunken barges and boats, and can only be navigated by flats. These comprise all the boats properly in the employ of our Dept. The Engineer Dept has employed three boats, viz Magnolia, Lorrance, and C.S. No. These steamers are crewed, furnished and run at the expense of the Engineer Dept. They appear to be constantly in service, and so much prefer that the expenses of steam should be borne by Engineer rather than our Dept.

Two sea going steamers the Virgin, Mary, Red Gauntlet and Heroine are used as "picket boats" and each night take on board a force of infantry, and proceed to the obstructions for the purpose of protecting their removal by the enemy. Orders are received here from Richmond directing that these boats be permitted to run the blockade, and so soon as the proper arrangements are completed; it will be attempted. Hourly labor used every night they could not be made available during the day, as their crews require rest, and their machinery cleansing. Had it been possible, I would have had a night and day crew placed on them, but engineers competent to run them could not be procured. Their engines are peculiar in construction, and require very skillful men to manage them. The Harrison a steam tug is also employed as a picket boat and used for towing purposes. The Dunlap is now being fitted up to be used as a "picket boat" when the sea going steamers have left. I hope you will be able to visit here and remain a week as you told me you expected to be able to do. I will then be able to give you a full insight relative to the business of this District, and prove to you that my present are among the most laborious of the duties of any officer of our Dept in the Confederacy. Terms and Conditions on which Messages are Received by these Companies for Transmission.

The public are notified that in order to guard against mistakes in the transmission of messages, every message of importance ought to be repeated by being sent back from the station at which it is to be received to the station from which it is originally sent. Half the usual price for transmission will be charged for repeating the message, and while these Companies will as heretofore use every precaution to insure correctness, they will not be responsible for mistakes or delays in the transmission or delivery of repeated messages beyond five hundred times the amount paid for sending the message, nor will they be responsible for mistakes or delays in the transmission of unrepeated messages, from whatever cause they may arise, nor the delays arising from interruptions in the workings of their Telegraphs, nor for any mistakes or omissions of any other Company over whose lines a message is to be sent to reach the place of destination. All messages will hereafter be received by these Companies for transmission subject to the above conditions

Mobile Ala. August 18th 1864.

Dear Doctor

I send herewith a "certificate of impressment" from Capt. E. L. Williams A. Q. M. for two horses impressed from me May 17th 1864. I learned sometime since that the valuation placed upon these horses had been reduced by State Commissioners," and upon writing them was informed that another hearing of the case could be had provided Capt. W. assented. I then requested Lt. Wade of Capt. W. staff, stating that as I had allowed these horses to be impressed for the sake of example, that they were worth the price at which appraised, and that I hoped as he was familiar with my action in the case, the request made of him would be granted. To this letter I received a reply which seemed to evidence a misconstruction of my request on the part of Capt. W. since then I have again written him requesting to send me certified amount of the horses for the amount agreed by the Commissioners" to be allowed for them. To this I have received no answer, and therefore conclude that my letter failed to reach him. If he be in Montgomery do me the favor to

present this slip of paper to Capt Williams and obtain from him proper form of voucher, as in present shape the account is of no possible avail to me.

Everything here is now very quiet. A portion of the fleet of the enemy is constantly in sight of the city and a few days since opened upon the "Lower defences". Their firing shortened elicited but a few shots in reply. Without a heavy land force to bring to operate against it, I regard the city as perfectly secure.

Please do me the favor to have made and sent to me a good sized bottle of hair tonic that will prevent hair from falling out. I sent to Savannah for a supply but this it now will be impossible for me to obtain, and upon application to the druggists here find they have not the requisite materials to make it. The loss of the hair is not occasioned from disease but as far as I can perceive from natural causes.

If the package be given to the captain of any vessel the steamer plying between this and [illegible] it will be delivered.

If I can in any manner serve you please command me. With remembrances to Mrs C

I remain

Very Truly Your Friend.

Dear Sir

I have been requested by a friend of mine Mr Patrick McGowan of Raleigh, N. Car. to lay before you the inclosed papers recommending his son for appt. as Asst. Quartermaster in the Army of the C. S.

Mr McGowan is a most worthy, industrious & returnable citizen and from what I have learned concerning his son who has served since the beginning of the war as Gen. Masters Clerk in the Army of the West, I believe he is well deserving of the promotion he seeks. You will perceive that the officers of the Gen. Masters dept of Gen. Randolph's Corps strongly recommend him.

Very respectfully

The Surgeon General
Richmond Virginia.—

My dear Sir

I was wounded in the battle of Chancellorsville, and in Richmond obtained a leave of absence in consequence for 60 days.— That time has now expired, and I am ready for duty.— I have been ordered by Surg— & chief of the Examining Board for this district, the duties of which I cannot perform with the certificate of disability which I now hold in the Confederate States Army, and I respectfully request that you will give me authority to appeal before a Board of Examination, and I respectfully request that you will give me authority to appeal before a Board of Examination, as I have done so, and the state in this case as you will see, think that I am entitled to the position which I hold.— I refer to the surgeons at Charlottesville

to Gen'l P. Hill's corps, which is now in Maryland as I may have mentioned & it is not practicable to communicate with them in time. Under this circumstance I have thought the best thing I could do, was to write Gen'l Lee for instructions. - If this course is improper, it is at least honest and was the only practicable one. - I have thought it proper to send, a copy of the correspondence. - I am told that my wound will not be cured, so as for me to take the field for 40 days to come. -

I have the honor to be very respectfully Your ob't servant

I went on board the "Diana" Apr 10, appointed Lieu Sibley. Paymaster. I had no commission. I made requisitions for provisions for the men and paid hourly four Dollars out of my own pocket for potatoes which was actually the Ration of Service Time. The Crew of the "Diana" was principally from Arizona and refused to go on the boat unless I would accompany them. To which reason I accepted the position offered me by Lieu Sibley. I remained on the "Diana" as pay master for four days, until we had up the "Diana". On the 14 I was captured with all the Crew of the "Diana" and remained a pris oner, until with other prisoners we captured the Confederate Steamer "Maple Leaf" June 10. I Commanded on the "Maple Leaf" until we disembarked, I arrived within the Federal lines June 21. 1863 and in making our escape I was subjected to great expense in paying Boatmen. I am &c—
Being cut off from home in Arizona, my home for the time is the State of Texas. Sworn to before me June 24. 1863

I respectfully recommend that he be paid as an acting Ass't Q.M. officer from Apr 11. 1863 to June 21. 1863 When he reached the Regular line.

Up to the
present moment the enemy
have prosperous of our river

any operations with propriety
- Planting obstructions in the
river, erecting defenses for
the same, the many pre-
liminary observations would
now be made under the direc-

persons, which would be of
great service when the work
was ready to commence
I would respectfully request
that you dispatch a Chief to
this place & I can procure

a number of excellent assistants
& let this work be commenced.
The weather until the present
has been remarkably favorable
for such work, & the river has
continued unusually low,

In addition to the names
I left with you, as suitable
to be attached to the Eng Corps
I would especially recommend
that of my friend Albert
A McGregor, who has for many
years been professor of Mathe-

College, & who superintended
fortifications of Light water, & could
render valuable service on
the present occasion. He now belongs to a

in the service as a pilot Engr
it would be much gratifying,
& can assure you he will do
credit to any position you may

work now ready in this vicinity
which he could well execute

Respectfully referred to D. McGuire. Surgeon in Chief of Chimborazo Hospital. A few days ago I forwarded an application, endorsed favorably for the assignment of a Chaplain, Rev T. H. Stubbs, to the vacant Post at Chimborazo Hospital. That assignment was not made, Mr Stubbs being ordered elsewhere. If the vacancy still exists I do not think a more useful & suitable Chaplain could be found than Rev. D. McGuire who is an Episcopal clergyman of great experience, and is now, as shown above, awaiting assignment to duty in Richmond

Very Respectfully

CORD DIVISION

Hon James A Seddon
Secty of War

Sir,

Understanding that a large Hospital (proposed for 2000 patients) is about to be established at Richmond, I have the honor to apply for the Chaplaincy of the same for my father Rev. John L. McGuire of Fairfax C.H.

Said C.H. being in the hands of the enemy, he with his family consisting of three adults (females) besides himself are of Conrad refugees: and though they have been able to live so far, certain circumstances render it necessary that some such means of support be secured, and this especially as it is in pursuance of the calling to which he has devoted some forty years of his life.

I have the honor to be

On the 15th of last August, I appointed Capt Thos. McGuire A
of the 12th La Regt. Quartermaster of the Brig
ade, with the rank of Major. The recommen
dation was promptly transmitted, and in reply
thereto I was informed that I was already
assisted with a Quarter Master, Major R. B.
George. I replied thereto stating that when
I was ordered by the Secy of War from
the Army of Tennessee to this Department.
Gen Bragg decided that I was only allowed
to carry with me my personal staff, and
retained Major George, as well as Maj
D. Thomas my Brigade Commissary. Since
that time, (February 14th 1863) I have been
without a Quarter master - Major George
has since resigned & I learn, and returned
to Kentucky.

Capt McGuire, who has been acting in
that Capacity of Brig. Qr. Mr. is energetic
prompt and efficient in the discharge of
his duties deserving of praise. I therefore re
spectfully recommend that Captain Thomas
McGuire A.Q.M. be promoted to Quarter Mas
ter with the rank of Major and ordered
